What do we recognise??...

Our philosophy is simple:

“Positive behaviour deserves positive recognition.”

Through a consistent and inclusive recognition system, we aim to:

- **Celebrate achievement and effort.**
- Promote excellent behaviour and attitudes to learning.
- Encourage regular attendance and punctuality.
- Foster positive relationships across the school community.
- Develop student leadership and responsibility.
- Strengthen pride in belonging to our school
- Develop resilience and perseverance.
- Celebrate kindness and respect towards others.

What will we recognise??...

Edulink achievement points (Daily)

Achievement points will become the foundation of our daily recognition system. They may be awarded in and around the academy for

- Excellent classwork
- Homework completion
- Outstanding effort
- Helping others
- Excellent attendance
- Acts of kindness / Teamwork / Respect
- Demonstrating school values
- Sporting achievement
- Supporting others across the academy
- Attendance to enrichment activities and being part of the school community

On Edulink the tariff has rolled back - to 1 / 2 / 3 achievement points

The system will be put back to 0 over the weekend before 19th October so we start a fresh on the Monday. Points earned until Friday 17th Nov will feature in tutor time next week for those with top achievement points.

How to give points...

On Edulink staff will give up to 3 achievement points max where possible each lesson. (For example...)

Good behaviour = 1 achievement point (not 5 as is now)

Great behaviour = 2 achievement points (not 10 as is now)

Outstanding behaviour = 3 achievement points (not 15 as is now)

Good effort = 1 achievement point (not 5 as is now)

Great effort = 2 achievement points (not 10 as is now)

Outstanding effort = 3 achievement points (not 15 as is now)

Lots more are being Added...

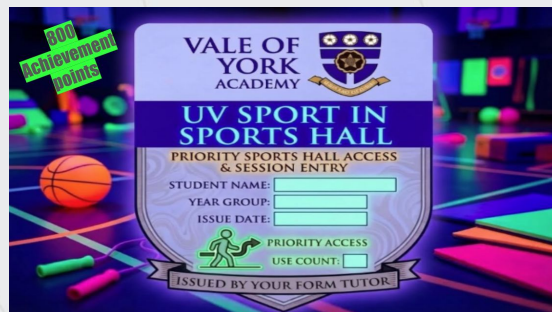

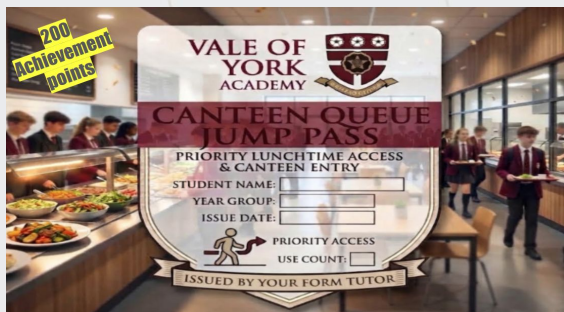

Those on the previous slide to have a similar tariff and easy to click on to award points.
