## Update - 23rd January 2026

### Principal's Update

Dear Parent/Carer,

Despite the drizzly and blustery weather, it has been all action at Vale of York this week. We have had students out on trips to York Minster and for sports fixtures and it has been a pleasure to see that Wizard of Oz rehearsals are now well underway. It has been great to see the rewards breakfasts taking place with different year groups too.

With 12 school weeks left before the start of the GCSEs, Year 11 students are attending more revision sessions than ever and the work rate in lessons has really stepped up.

Thank you for your continued support.

Kind regards,  
Ms Mills

### Attendance Update from Miss Garland, Assistant Vice Principal

Good attendance is 95%+ and 100% represents excellent attendance.

Please continue to report absences to the school attendance team in advance. Where possible, please update us with the nature of the illness so we can inform any vulnerable members of our community.

With only 3 weeks left of this half term we are having a big push on attendance to see if we can reach over 90% consistently. Our attendance team

is sending text messages, making calls and doing home visits every day to support improving attendance.

During form time tutors are awarding achievement points for outstanding, great and good attendance to recognise each individual student and their effort.

Students with 98% attendance for this half term will be able to watch a film on the last day of term alongside rewards for the promoted form teams and individual raffle tokens!

If you have any attendance questions, please get in touch via the school phone line or at [attendance@voy.hlt.academy](mailto:attendance@voy.hlt.academy)

## Votes for Schools

Each week, the students are given an opportunity to participate in a democratic voting experience as part of their tutor time. We will share the responses of our students with you.

Thousands of families across the country are watching The Traitors, and many commentators are wondering if unconscious bias is playing a role in some of the game play. So, this week, voters are thinking about whether TV helps us to reflect on unconscious biases that exist in our society.

Question: Should reality TV help us reflect on unconscious biases?

## Quality of Education Update from Mrs Cripps, Trust Vice Principal

This week is the last week of our Key Stage 3 Endpoint assessment window. Students have shown great resilience when undertaking exams in their subjects and Year 7 students have displayed a great start to how they conduct themselves during assessments. Many thanks to all students, and parents and carers, for the hard work and

We are unable to let children leave the site for an unauthorised absence, therefore a parent/carer must collect.
